## **EXHIBIT A**

### **SCOPE OF SERVICES:**

Services shall be performed in a timely, competent, professional, and workmanlike manner by qualified personnel consistent with applicable industry standards. All services requiring the exercise of professional skills or judgment shall be accomplished by professionals qualified and competent in their applicable field of expertise and, if required by law, appropriately licensed.

CONTRACTOR shall furnish efficient business administration and supervision of personnel and subcontractors to render and complete the services set forth herein. CONTRACTOR shall maintain a business location to be known as "St. George DPW Services" along with any necessary storage space for equipment in St. George. CONTRACTOR shall identify all full-time staff positions to be located within CITY.

CONTRACTOR shall provide personnel sufficient to provide the services. PARTIES recognize that these are inclusive of shared service resources housed both inside and outside CITY.

PARTIES agree to use Key Performance Measures ("KPM") to track performance. The KPM development process shall include agreed upon number of KPM's per function, creating a standard reporting schedule and clear measurement criteria. Where applicable, the PARTIES agree to incorporate KPM's into CONTRACTOR's evaluation.

### **PUBLIC WORKS**

CONTRACTOR shall provide ordinary maintenance of CITY assets and infrastructure.

CONTRACTOR shall employ a full-time Director of Public Works and such other personnel as necessary to oversee maintenance of public infrastructure and to coordinate with parish, state and federal agencies for maintenance of infrastructure maintained by other agencies.

CONTRACTOR shall employ such other staff and/or subcontractors as necessary to perform the Scope of Services in a timely and cost-efficient manner.

PUBLIC WORKS shall include field services for maintenance of streets, landscaping, drainage, traffic signs, storm water, and inspection services

CONTRACTOR shall provide weekly and annual reports of all PUBLIC WORKS services performed which shall include the type of service, location or address of service site, description of the work performed, and date completed. All reports shall be maintained by CONTRACTOR for a period of at least three years following the completion of CITY'S audit for the fiscal year in which payment for services was received.

CONTRACTOR shall incorporate into the maintenance schedule - any maintenance requested by CITY.

## 1.0 NON-EMERGENCY MAINTENANCE

CONTRACTOR shall establish and maintain a call center and online service for reporting non-emergency maintenance requests and provide the personnel for responding to in-person requests, at a customer service location. After CITY's business hours, CONTRACTOR shall provide answering service equipped with emergency contact information.

CONTRACTOR shall procure and maintain appropriate licensure for the following DPW related software:

- A. Public Works Work Order Tracking System (e.g. Govwell);
- B. Tracking System to inventory fixed assets to be reported to general ledger;
- C. Other required basic software to coordinate with public, city officials and parish and state entities.

CONTRACTOR shall coordinate with the CITY SERVICES representatives to coordinate maintenance activities, as to avoid conflicts with the Capital Program Administration and other departments.

CONTRACTOR shall assist CITY SERVICES representatives in the preparation of annual detailed financial forecasts and analysis as it relates to DPW Services. CONTRACTOR shall assist in coordinating with other public agencies to prepare the detailed financial forecasts and analyses.

CONTRACTOR shall coordinate requests from citizens to appropriate CITY, parish or State departments, follow up on the requests and prepare a monthly report for City Services which shall include date each request was received, date forwarded and to whom, date and description of follow-up action, and date resolved.

CONTRACTOR shall retain all CITY records in digital form as directed by CITY, make public records available for inspection by the public and respond to all public records requests in conformance with Louisiana law related to DPW Services.

CONTRACTOR shall maintain continuous dialog and communications with CITY residents with timely updates, as directed by the City Services representatives.

CONTRACTOR shall annually review the crisis communications plan as it relates to DPW services to ensure CITY is prepared to communicate with the public, media, and other governmental agencies in the event of a crisis.

CONTRACTOR shall annually review and provide suggested updates to the emergency preparedness plan as it relates to DPW services which shall include all activities necessary for CITY to operate and oversee all aspects of an emergency preparedness plan with local, state, and federal agencies for debris removal, roadway access, flood prevention, and safe operable utilities.

CONTRACTOR employees shall conduct a review of the ethics policy requirements in LA R.S. 42:1101 through 42:1170 on an annual basis.

CONTRACTOR shall provide, install, configure, and maintain computer workstations and printers for contractor and subcontractor staff, ensuring software and hardware uniformity with other departments and interchangeability.

CONTRACTOR shall follow the procedures and maintain such records as required by state law and CITY services, CITY's auditors and policies established by CITY for management of CITY funds as set forth in the Scope of Services.

CONTRACTOR shall support and assist CITY's Finance Director by providing data for including obtaining funds from local, state, or federal agencies.

CONTRACTOR shall provide necessary materials to CITY Services Director of Finance and CITY departments for the preparation, amendment, and presentation of annual budgets, assist in the preparation of annual budgets, and attend all required meetings and hearings relative to the budgets related to DPW Services.

CONTRACTOR shall provide personnel to inspect all infrastructure to be dedicated to CITY including subdivision streets and drainage prior to acceptance by CITY.

CONTRACTOR shall inspect all drainage installed on private property pursuant to permits issued by CITY.

## **2.0 WORK ZONE SAFETY RELATED TO DPW SERVICES**

CONTRACTOR shall require training for personnel to remain eligible to work within the right-of-way. CONTRACTOR should identify all personnel with training on resumes listed in the proposal, if available at time of submittal, as well as the certificates of completion. All work zone training requirements shall be met prior to field services being provided. It will be CONTRACTOR's responsibility to ensure staff and sub-contractors have the appropriate work zone training for personnel performing work within the right-of-way. Approved courses are offered by ATSSA and AGC. Substitutes for these courses must be approved by the MAYOR or his designee.

## **3.0 MAINTENANCE AND RELATED SERVICES**

CONTRACTOR shall perform maintenance and related services on all property, roads, drainage, right-of-way, servitudes, and infrastructure owned by City of St. George.

### **3.1 DRAINAGE AND STORMWATER**

#### **3.1.1 Drainage System**

CONTRACTOR shall maintain roadway drainage systems along approximately 400 miles of CITY owned roadways within CITY by cleaning or repairing catch basins, and cleaning roadside ditches or waterways to facilitate proper drainage including erosion control, removal of silting in pipes and box culverts, concrete lined canal repair, catch basin repair, installation, and replacement, and removing and disposing of debris from

bridge or box culverts, replacing missing or damaged storm drain lids, pipe repairs and sink hole repairs. CONTRACTOR shall repair grading to proper level and set elevations of new drainage structures. CONTRACTOR shall inspect and schedule necessary repairs as required. CONTRACTOR shall identify the procedure for inspection (such as CCTV or other method of inspection) for pipes.

A list of roads in the CITY is in Exhibit E and designated as "No" in the column entitled "Private Street" if maintained by the CITY.

### **3.1.2 Off-Road Drainage**

CONTRACTOR shall provide personnel and equipment to maintain approximately 93 acres of off-road drainage, rights-of-way and drainage servitudes within CITY. CONTRACTOR shall provide personnel to inspect all permitted drainage to be installed in servitudes.

### **3.1.3 Stormwater**

CONTRACTOR shall provide personnel and equipment for non-roadside erosion repair, street sweeping, stormwater inlet and junction box rehabilitation, stormwater pipe repair and replacement, and non-roadside drainage issue.

## **3.2 GRASS CUTTING AND WEED CONTROL**

CONTRACTOR shall either: (1) manage grass mowing and vegetation control and/or (2) provide for mowing of the public right-of-way adjacent to CITY owned roadways. All litter and debris shall be removed from roadside ditches and medians and disposed of prior to mowing. Grass areas shall be kept neat at all times with grass cut and vegetation trimmed. Areas around all sign poles, curbs and barriers shall be trimmed. CONTRACTOR shall provide for mowing approximately 686.1 acres of tractor mowing, along with LADOTD rights-of-way, an approximate 20.8 acres of ZTR mowing, and 200 acres of herbicide (as needed). CONTRACTOR may, only with CITY's approval, use herbicide treatment three times per year on the street rights-of-way, drainage ditches, and around street traffic poles and guard rail barriers.

CONTRACTOR shall inspect visibility within sight triangles at intersection rights-of-way and perform any maintenance necessary to preserve visibility of traffic signs and signals. Visibility and sight distances shall be coordinated with CITY services and engineering department. CONTRACTOR shall maintain other CITY owned rights-of-way as requested by mayor or his designee.

Herbicide spray will be applied to ditch locations defined in Exhibit F covering approximately 248 acres. CONTRACTOR may not block any public roadway without prior approval and proper temporary traffic control.

### **3.2.1 Tree Trimming and Vegetation Removal**

CONTRACTOR shall trim and dispose of low hanging tree limbs or branches or other vegetation extending over any public roadway or publicly maintained sidewalk as requested by CITY and necessary to facilitate passage on the roadway or sidewalk or to

preserve visibility of traffic signs or signals. Visibility and sight distances shall be coordinated with CITY services and CITY Engineering.

CONTRACTOR shall maintain comprehensive public tree inventories and strategic maintenance management within the public rights-of-way. CONTRACTOR shall ensure that community enhancement is embedded in all facets of city planning and capital improvements. CONTRACTOR shall provide assistance from a licensed landscape architect with technical assistance of a certified arborist or urban forester overseeing field operations (as needed).

### **3.3 LITTER CONTROL**

CONTRACTOR shall assign personnel to inspect roads and right-of- ways for litter and debris, and to remove litter and debris from CITY's roads and rights-of-way at least monthly.

CONTRACTOR shall remove illegal signs on public rights-of-way and from signposts and utility poles in accordance with CITY's ordinances.

CONTRACTOR shall report any excessive litter or debris on parish or state highways to the appropriate officials. CONTRACTOR shall coordinate with established and current litter programs within the city limits and oversee any other CITY litter abatement programs.

### **3.4 BRIDGE ASSESSMENT AND MINOR REPAIRS**

CONTRACTOR shall review off-system bridge inspection reports as they are completed for bridges within CITY, as directed by the Mayor or his designee, recommend repairs or scheduled replacement through coordinated meetings with state and local officials, and make minor repairs such as guard rail replacement or barriers. Exhibit "G" lists the bridges within CITY and indicates which are not in state system.

### **3.5 ROADWAY REPAIRS**

CONTRACTOR shall maintain an estimated 400 miles (Exhibit E) of publicly maintained roadways within CITY including streets, sidewalk, asphalt base failure repair, concrete (publicly maintained sidewalks, panels and drive), street grading, roadside integral and monolithic curb repairs, gutters, potholes and shoulders repair and non-roadway patching within CITY's rights-of-way. All pothole repairs shall be squared off as much as possible and properly filled in with an asphalt hot mix material and compacted. Only when asphalt mix is not readily available due to weather conditions, may CONTRACTOR use a cold mix product for pothole repair.

CONTRACTOR shall utilize CITY's database of Roadway Management Technology, or other Asset Management Data, to identify roadway repairs and respond to calls and respond to observed conditions on an as needed basis. CONTRACTOR shall report any necessary roadway repairs to state and parish highways to the appropriate officials.

Roads that have been significantly neglected prior to this contract award, and require significant structure repairs and replacement will be repaired subject to funding for capital

outlay and shall be inspected by CONTRACTOR during and upon completion of construction.

CONTRACTOR shall obtain maintenance schedule and as-built plans from Parish for roadway rehabilitation program.

### **3.6 ROADWAY STRIPING**

CONTRACTOR shall be responsible for roadway striping within CITY, maintaining existing pavement raised markers and pavement markings to appropriate standards, and stripe approximately 230,000 linear feet of roadway per year. All striping shall be 90 ml thermoplastic painting.

### **3.7 SIGN MAINTENANCE**

CONTRACTOR shall maintain all street and traffic control signs adjacent to CITY roadways or within CITY rights-of-way. CONTRACTOR may straighten signs when feasible but shall replace any sign which cannot be straightened. All street and traffic control signs shall comply with the most recently adopted edition of the MUTCD (Manual on Uniform Traffic Control Devices) at time of installation.

CONTRACTOR shall utilize CITY's database of Roadway Management Technology, or other Asset Management Data to identify street and traffic control signs in need of repair and take necessary steps to repair or replace any damaged signs. CONTRACTOR shall do regularly scheduled inspections or use video as needed to identify signs in need of repair, if database is unavailable. CONTRACTOR shall coordinate with other departments as needed. CONTRACTOR shall report any damage to signs located on parish or state highways to the appropriate officials on a timely basis.

CONTRACTOR shall designate individuals to be on call 24 hours per day, seven days per week for replacement of intersectional traffic control signs, i.e., STOP, YIELD, DO NOT ENTER, ONE-WAY and other similar signs.

### **3.8 SPECIAL SERVICES**

CONTRACTOR shall provide personnel and equipment to perform special services such as hanging banners and decorations for special events within CITY as directed by the Mayor or his designee.

### **3.9 TRAFFIC SIGNALS AND ROADWAY LIGHTING**

The CITY intends to contract with EBR Parish to maintain traffic signals. CONTRACTOR shall maintain and repair all school flashers (approximately 27), count stations (approximately 11) and speed zone signs (approximately 4). See Exhibit H. CONTRACTOR shall maintain a GIS database of lighting systems not currently maintained by contracts with energy companies and are outside of Consolidated Road Lighting District.

- 3.9.1** CONTRACTOR shall report any observed traffic signal located on a state or CITY highway in need of repair to the appropriate officials.
- 3.9.2** CONTRACTOR shall coordinate with EBR for traffic signal maintenance. CONTRACTOR shall send appropriate personnel within DPW operations to train in the EBR/LADOTD traffic control center - to understand the systems and inventory in the rights-of-way, to better inform in cases of emergency, or utility conflicts. CONTRACTOR shall maintain an updated Traffic Signal Inventory from EBR and coordinate with GIS to maintain an asset database.

### **3.10 UTILITY COORDINATION**

CONTRACTOR shall inspect work performed for existing and new permits for curb cuts and for utility work within CITY's rights-of-way and private rights-of-ways. Coordinate with and permit local utility providers for work within CITY's rights-of-way and respond to citizen requests concerning construction projects. Utilities shall be maintained on the GIS database.

### **3.11 EMERGENCY SERVICES – AS IT RELATED TO DPW SERVICES**

- 3.11.1** CONTRACTOR shall provide for emergency and catastrophic response services including but not limited to repairing CITY assets and infrastructure, clearing roads of trees and debris, minor roadway spills, sand delivery (bulk) per truck, and de-icing CITY's roadways. Emergency Services do NOT include storm debris hauling and monitoring. Emergency services are any non-routine or non-repetitive activities required for operational continuity, safety, and performance generally resulting from the failure of or the need to avert a failure of CITY assets, infrastructure or some component thereof. CONTRACTOR shall prepare as soon as practical a Plan of Action to respond to emergencies related to DPW Services.
- 3.11.2** For clean-up in any declared state of emergency by the Governor of Louisiana or federal government. CONTRACTOR shall coordinate with the Mayor or CITY's designees to coordinate between state and federal agencies and debris removal and monitoring contractors assisting with repairs and debris removal.
- 3.11.3** CONTRACTOR shall provide the Mayor and other individuals designated by CITY with contact information for emergencies which arise outside of normal business hours. CONTRACTOR shall respond to emergency situations obstructing roadways or drainage as directed by the Mayor or other designees within two hours and provide an evaluation of any reported emergency after assessing the situation. If the situation is determined to be a threat to public health and/or safety, CONTRACTOR shall take immediate action to mitigate and/or remediate the situation by instituting hazard avoidance measures such as barricading the area and initiating remediation.
- 3.11.4** In the event CITY is eligible for reimbursement by any state or federal agency for the cost of any emergency services performed by CONTRACTOR, CONTRACTOR agrees to prepare all required documentation and to assist CITY in obtaining reimbursement.

### **3.12 GIS DATABASE**

CONTRACTOR shall maintain a GIS database of all assets described in the scope herein (separately from EBR GIS), but should coordinate with EBR to import existing layers and update as needed. GIS layers should be updated with current assets and coordinated with the Asset Management groups monthly. Coordinate with CITY to place relevant information and materials on CITY's website.

## **SAMPLE PROPOSED CONTRACT**

The City of St. George ("CITY"), a municipality represented herein by its duly appointed Mayor and *[CONTRACTOR'S name to be inserted] [ Type of entity to be inserted]* ("CONTRACTOR"), referred to jointly as ("PARTIES"), do hereby enter into this Contract for CITY Services ("CONTRACT") under the following terms and conditions:

### **1.0 GENERAL PROVISIONS**

- 1.1** PARTIES recognize that CONTRACT is intended to provide flexibility to CITY in order to meet its evolving challenges. CITY reserves the right to have CONTRACTOR allocate resources for the performance of services in accordance with priorities established by CITY.
- 1.2** CONTRACTOR shall furnish all labor, materials, and equipment necessary to provide services set forth in CONTRACT.
- 1.3** CONTRACTOR may delegate some of the duties under CONTRACT to one or more affiliates or subcontractors; however, CONTRACTOR shall remain responsible for the performance of all affiliates and subcontractors to the same extent as CONTRACTOR would have been responsible had CONTRACTOR performed services without the use of an affiliate or subcontractor.
- 1.4** CONTRACTOR shall to the best of its ability foster and maintain harmonious relationships with CITY's elected and appointed officials, CITY's employees, CITY Services Contractor and Departments. CONTRACTOR shall at all times represent CITY in a professional manner.
- 1.5** CITY designates its Mayor or designee as its representative for any approval required by this CONTRACT of mass communications to residents.
- 1.6** CONTRACTOR shall provide to CITY for the term set forth herein, and any applicable transition period or extension, competent services within and throughout CITY's corporate limits in accordance with the terms, conditions, requirements, specifications, and representations set forth in the following documents attached hereto and incorporated herein by reference: Attachment A - RFQP CITY DPW services and Attachment B - CONTRACTOR's proposal submitted on *[INSERT DATE]*

### **2.0 INDEPENDENT CONTRACTOR**

- 2.1** CONTRACTOR, for the purposes of all work and services provided under this CONTRACT, is and shall remain an independent contractor and shall not be considered an employee of CITY for any purpose, except for purposes of tort-immunity as outlined herein. Personnel services shall be provided by CONTRACTOR's EMPLOYEES and subject to supervision by CONTRACTOR. Notwithstanding anything herein to the contrary, PARTIES agree that CITY shall be designated as the Statutory Employer of CONTRACTOR's direct and statutory employees (and all subcontractors hired

by or working for CONTRACTOR) pursuant to La. R.S. 23:1061. PARTIES acknowledge that the services required of CONTRACTOR under this CONTRACT are an integral part of and essential to CITY's ability to generate goods, products, and services. This provision is included for the sole purpose of establishing a "Statutory Employer" relationship in order to gain the tort-immunity benefits expressed in La. R.S. 23:1032 and La. R.S. 23:1061, and is not intended to create an employer/employee relationship between CONTRACTOR's EMPLOYEES and CITY for any other purpose whatsoever.

### **3.0 SCOPE OF SERVICES**

*{Insert Scope from RFPQ}*

### **4.0 ADDITIONAL SERVICES**

For purposes of CONTRACT, Capital Improvements shall mean any work or materials applied to an existing asset to restore the asset or infrastructure to a "like new" condition and/or to improve the performance and/or reliability levels of the asset beyond the capabilities of the original installation. CONTRACTOR's duties under this CONTRACT do not encompass payment for Capital Improvements to assets of CITY unless agreed to by PARTIES in accordance with this Section. All capital Improvements made by CITY during the term of this CONTRACT shall be maintained by CONTRACTOR.

- 4.1** Subject to availability of resources, CONTRACTOR shall provide, upon request of CITY, such additional services as may from time to time be needed.
- 4.2** The cost of additional services shall be borne by CITY and shall be payable in such amounts and in such a manner as may be determined by mutual agreement and in accordance with procedures set forth herein for Additional Services.
- 4.3** CONTRACTOR shall prepare a cost estimate for any additional work requested by CITY. Estimate shall be fully documented and itemized as to costs, including material quantities, material costs, taxes, insurance, employee benefits, other related costs, profit, and overhead.

### **5.0 HOURS OF OPERATION**

CONTRACTOR shall maintain, for the purposes of performing all services set forth in this CONTRACT, a fully staffed office from Monday through Friday during the hours of 8:00 AM to 4:30 PM CST, and shall reasonably provide appropriate staff to perform any after-hours requirements of this CONTRACT associated with clerical support, public relations, and emergency services in accordance with the Scope of Services, with the exception of the following holidays:

- New Year's Day
- Martin Luther King Jr.'s Birthday

- Mardi Gras Holiday
- Good Friday
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Day after Thanksgiving Day
- Christmas Day

If any of the above listed holidays falls on a Saturday, the holiday shall be observed on the preceding Friday. If any of the above listed holidays falls on a Sunday, the holiday shall be observed on the following Monday.

## **6.0 EQUIPMENT, LABOR, AND MATERIALS**

- 6.1** CONTRACTOR shall be responsible for providing at its cost all necessary equipment, labor, and materials to perform the services, duties, and responsibilities set forth and contemplated herein and as necessary to maintain the level of service set forth in the Scope of Services. In the event of emergencies or natural disasters, CONTRACTOR shall, as soon as reasonably possible and for an ongoing basis, supply its usual and customary personnel to ensure continuing operations of all services provided by CONTRACTOR.
- 6.2** CONTRACTOR will be responsible for maintaining the required insurance for all equipment, materials, and leased assets and shall list CITY as an additional insured on its commercial general liability and automobile insurance policies to be used in the performance of obligations under this CONTRACT. CONTRACTOR shall issue a certificate of insurance to CITY which names CITY as an additional insured.
- 6.3** CONTRACTOR shall comply with all OSHA and other applicable federal and state statutes, regulations, and standards for work place safety. CONTRACTOR shall comply with all applicable laws regarding hazardous materials and maintain all required Manufacturer's Safety Data Sheets (MSDS) on site in CITY in support of all services rendered pursuant to this CONTRACT.

## **7.0 CONTRACTOR EMPLOYEES**

- 7.1** Any individual employed by CONTRACTOR ("CONTRACTOR EMPLOYEE") in any manner to perform services by CITY shall be and remain an employee of CONTRACTOR and shall not be considered an employee of CITY for any purpose.
- 7.2** CONTRACTOR shall be solely responsible for all compensation benefits, insurance and rights of the CONTRACTOR EMPLOYEES during the course of or arising or accruing as a result of any employment, whether past or present, with CONTRACTOR, including costs and attorney's fees incurred in the defense of any claim or legal action resulting from such employment. CITY

shall not be liable to CONTRACTOR or CONTRACTOR EMPLOYEES for payment of any salaries, wages, contribution to pension funds, insurance premiums or payments, workers compensation benefits pursuant to Louisiana law or any other amenities of employment. CONTRACTOR shall indemnify CITY in any claim or legal action against CITY by any CONTRACTOR EMPLOYEE including reasonable costs and attorney's fees.

- 7.3** CONTRACTOR shall provide an acceptable level of customer service and delivery of services to CITY's residents as mutually agreed upon by PARTIES consistent with the Scope of Services. CONTRACTOR shall be responsible for the delivery of services, establishing standards of performance, discipline, and other matters for CONTRACTOR EMPLOYEES.
- 7.4** CONTRACTOR shall maintain an Alcohol and Drug Free Workplace.
- 7.5** CONTRACTOR shall not discriminate against any person in its operations, activities, or delivery of services under this CONTRACT. CONTRACTOR shall affirmatively comply with all applicable provisions of federal, state, and local equal employment laws and shall not engage in or commit any discriminatory practice against any person based on race, age, religion, color, gender, sexual orientation, national origin, marital status, physical or mental disability, political affiliation, or any other factor which cannot be lawfully used as a basis for the provision or denial of service delivery.
- 7.6** When appropriate, CONTRACTOR EMPLOYEES may wear attire approved by CITY with CITY's logo when performing services for CITY.
- 7.7** CONTRACTOR shall employ individuals on a full-time basis to serve in each of the following positions:
- 1) Public Works Director,
  - 2) Assistant Public Works Director,
  - 3) Maintenance Supervisor – Drainage,
  - 4) Maintenance Supervisor – Roads,
  - 5) Work Order Manager,
  - 6) Utilities and ROW Coordinator

In the event an individual serving in any of the listed positions is transferred, reassigned, discharged, resigns, or retires, CONTRACTOR shall provide CITY with prompt written notice of such transfer, reassignment, discharge, resignation, or retirement and CONTRACTOR shall provide another suitable individual to perform the job duties of the vacated position upon the individual's departure.

## **8.0 COMPENSATION**

- 8.1** CITY will remit payment of one-twelfth (1/12) of the annual fee on the 20th day of the following month service was provided to CONTRACTOR.
- 8.2** Compensation shall include all start-up costs, assessment for services, and

equipment, materials, and supplies necessary to perform services set forth in this CONTRACT.

- 8.3** CONTRACTOR agrees that the responsibility for payment of taxes due from the compensation received under this CONTRACT shall be the CONTRACTOR'S obligation and identified under Federal Tax Identification Number *[TO BE INSERTED]*.

**8.4 ADDITIONAL SERVICES**

Additional services not included in this CONTRACT shall require prior approval after CONTRACTOR provides to CITY in writing a price and itemized description of material quantities, material costs, taxes, insurance, employee benefits, other related costs, profit and overhead. If approved by CITY in writing, CONTRACTOR shall proceed with the Scope Addition within the time period agreed upon by PARTIES. Unless otherwise stated in the Scope Addition, CONTRACTOR will invoice CITY on the next billing cycle after completion of the Scope Addition. If the Scope Addition will be provided as an on-going service, CONTRACTOR shall add the monthly fee for the Scope Addition to the monthly invoice. CONTRACTOR is not obligated to provide the Scope Addition unless agreed to in writing by both PARTIES. Scope Additions for Emergency Repairs shall be addressed in accordance with Section 4 of this CONTRACT.

**8.5 REDUCTION IN SERVICES**

In the event CITY seeks to reduce services to be rendered by CONTRACTOR, CITY shall notify CONTRACTOR of services to be discontinued and CONTRACTOR will provide CITY with a proposed cost reduction and supporting documentation. As an on-going service, CONTRACTOR shall reduce the monthly fee for services.

**9.0 TERM**

- 9.1** This CONTRACT shall begin at 12:01 AM on *September \_\_, 2025 and end at midnight on September \_\_, 2030, CST.* The initial term of CONTRACT shall be five (5) years and CITY shall have the option to renew this CONTRACT for one additional two (2) year term which shall commence on *September \_\_, 2030 at 12:01 AM and end at midnight on September \_\_, 2032 CST.*

The CONTRACT shall be concurrent with the City Services Contract that will have the same *end* dates as the above, in order to prevent coordination and department issues.

**9.2** In the event CITY elects to renew this CONTRACT for the additional two (2) years, CITY shall notify CONTRACTOR as soon as possible but in no event less than one hundred twenty (120) calendar days prior to end of the initial term of this CONTRACT.

**9.3** This CONTRACT shall become effective upon signature of the Mayor.

## **10.0 DEFAULT**

**10.1** An event of default shall mean a material breach of this CONTRACT. Without limiting the generality of the foregoing, an event of default shall include the following:

10.1.1 CONTRACTOR fails to perform the Services within the time specified in this CONTRACT or any extension.

10.1.2 CONTRACTOR has refused or failed, except in the case for which an extension of time is provided, to supply properly skilled personnel.

10.1.3 CONTRACTOR has failed to obtain the approval of CITY where required by this CONTRACT.

10.1.4 CONTRACTOR has made a representation of warranty hereunder that was false or inaccurate in any material respect when made or which materially and adversely affects the legality of this CONTRACT or the ability of either PARTY to carry out its obligations hereunder.

10.1.5 CONTRACTOR fails to perform any of the other provisions of this CONTRACT, subject to any right to cure, or resolve a dispute.

10.1.6 CONTRACTOR has been adjudged as bankrupt or the CONTRACTOR makes a general assignment for the benefit of creditors, appoints a receiver on account of insolvency, or files a petition to take advantage of any debtor's act.

**10.2** In the event of a default, this CONTRACT may be terminated by CITY after written notice to CONTRACTOR of the default, which notice shall specify the default, provide both a demand to cure the default and a reasonable time to cure the default, and state a date upon which the CONTRACT shall be terminated if there is a failure to timely cure the default. For purposes of this section, "reasonable time" shall be ten (10) calendar days except when the failure to perform Services affects the public health, safety or welfare, in which case reasonable time may be less than ten (10) days. A failure to cure a default within the specified time shall result in termination of CONTRACT on the date set forth in the default if such notice of default has not been removed.

- 10.3** CONTRACTOR shall be liable for all damages resulting from the default.
- 10.4** If this CONTRACT is terminated in whole or in part, CITY may require, under the terms and in the manner the Mayor considers appropriate, services similar to those terminated, and CONTRACTOR shall be liable to CITY for any excess costs for those services; however, CONTRACTOR shall continue the work not terminated.
- 10.5** If this CONTRACT is terminated in whole or in part, CONTRACTOR shall protect and preserve property in its possession in which CITY has an interest until CONTRACTOR is relieved of this need.
- 10.6** CONTRACTOR shall not be deemed in violation of this CONTRACT if it is prevented from performing its obligations under the CONTRACT for any reason beyond its control including, but not limited to, acts of God, civil or military authority, acts of public enemies, accidents, fires, explosion, earthquakes, floods, or catastrophic failures of public transportation; provided, however, that nothing herein shall relieve or be construed to relieve CONTRACTOR from performing its obligations hereunder in the event of riots, rebellions, or legal strikes.
- 10.7** If, after termination, it is determined that CONTRACTOR was not in default or that the default was excusable, the rights and obligations of the PARTIES shall be the same as if the termination had been issued for the convenience of CITY.
- 10.8** The rights and remedies of CITY in this section are in addition to any other rights and remedies available to CITY at law or in equity or under this CONTRACT. The exercise of one remedy shall not be deemed a waiver of the right to exercise any other remedy.

## **11.0 TERMINATION**

- 11.1** CITY may terminate this CONTRACT for cause based upon the failure of CONTRACTOR to comply with the material terms and/or conditions of CONTRACT; provided that CITY has given CONTRACTOR written notice specifying CONTRACTOR'S failure. If within twenty (20) calendar days after receipt of notice CONTRACTOR has not either corrected such failure, or in the cause of failure which cannot be corrected, within thirty (30) calendar days begun in good faith to correct the failure and thereafter proceeded diligently to complete such correction, CITY may, at its option, deliver written notice of CONTRACTOR's default specifying corrections that were not made and provide that CONTRACT shall be terminated on the date specified in the notice of default unless corrections are made.
- 11.2** CITY may terminate CONTRACT at any time without penalty by giving one hundred twenty (120) calendar days written notice to CONTRACTOR. Upon any termination of CONTRACT, CONTRACTOR shall be entitled to payment for deliverables in progress, to the extent work has been performed satisfactorily.

- 11.3** CONTRACTOR may exercise any rights available under Louisiana law to terminate for cause upon failure of CITY to comply with the terms and conditions of CONTRACT, provided CONTRACTOR shall give CITY written notice specifying CITY's failure.
- 11.4** In the event of termination or expiration of this CONTRACT, CONTRACTOR shall transfer to CITY all equipment, materials, furniture, fixtures, and supplies in CONTRACTOR'S possession purchased by CITY. CONTRACTOR shall transfer any items bearing CITY's logo to CITY including, but not limited to, any stationery, forms, and uniforms.
- 11.5** In the event of termination or expiration of this CONTRACT, CITY'S logo shall be removed from any equipment retained by CONTRACTOR.
- 11.6** By mutual contract of the PARTIES, CITY may purchase equipment, materials, furniture, fixtures, or supplies. Upon payment by CITY, CONTRACTOR shall convene within ten (10) days, or upon such other mutually agreed time, all of its rights, title, and interest thereto to CITY by Bill of Sale Absolute or Certificate of Title, if applicable.
- 11.7** CITY shall be granted full access to CITY data stored in the "cloud" and all data developed on behalf of the CITY in compliance with all Louisiana Revised Statute requirements.

## **12.0 TRANSITION**

- 12.1** In the event of termination or expiration of this CONTRACT, CONTRACTOR and CITY shall cooperate in good faith in order to effectuate a smooth and harmonious transition from CONTRACTOR to CITY or to any other person or entity CITY may designate and to maintain during such period of transition the same quality services otherwise afforded to CITY residents under this CONTRACT.
- 12.2** In the event of termination or expiration of this CONTRACT, and in the further event that CITY is unable to provide the same level of services at the time of such termination or expiration, the then pending term of this CONTRACT may be extended by CITY for a period of ninety (90) calendar days or until CITY is capable, in its sole discretion, of rendering such services, whichever occurs sooner. The remuneration to be paid to CONTRACTOR during the transition period shall be based upon actual costs (actual costs is defined as direct and indirect costs) of providing such services during the transition period plus mutually agreed upon fee; provided, however, such fee shall not exceed the Compensation Amount which would be due and owing to CONTRACTOR for the provision of said services pursuant to the terms of this CONTRACT.

## **13.0 INDEMNIFICATION**

- 13.1** CONTRACTOR shall indemnify, defend and hold harmless CITY, its officers, agents, servants, and employees from and against any and all liability, suits, actions, damages, costs, losses, and expenses, including attorneys' fees,

demands and claims for personal injury, bodily injury, sickness, diseases, or death or damage or destruction of tangible property, to the proportionate extent arising out of any errors, omissions, willful misconduct, or negligent acts of CONTRACTOR, its agents, employees, or subcontractors in the performance of the services under this CONTRACT, from and against any orders, judgments, or decrees which may be entered thereon and from and against all costs, damages of every kind and nature, attorneys' fees, expenses and liabilities incurred in and about the defense of any such claim and investigation thereof. CONTRACTOR's indemnification shall be limited to the actual amount of any liability of CITY and shall not encompass any sums for which CITY is exempt or immune from liability by law.

**13.2** CONTRACTOR acknowledges that specific consideration has been paid or will be paid under this CONTRACT for this hold harmless and indemnification provision, and further agrees with the foregoing provisions of indemnity and with the collateral obligation of insuring said indemnity as set forth in Section 14.

**13.3** In compensation for benefits conveyed hereunder, PARTIES agree that CONTRACTOR shall be liable for fines or civil penalties imposed by any federal or state department or regulatory agency that are a result of CONTRACTOR's negligent operation. CITY shall assist CONTRACTOR to contest any such fines in administrative proceedings and/or in court prior to any payment by CONTRACTOR. CONTRACTOR shall pay the cost of contesting any such fines. CONTRACTOR shall not be liable for fines or civil penalties resulting from violations existing prior to the effective date of this CONTRACT whether or not known by CITY or for the effects or prior violations by CITY that have contributed to the assessment of any fine or civil penalty caused by CONTRACTOR's negligent operations.

#### **14.0 INSURANCE**

**14.1** CONTRACTOR shall procure and maintain for the duration of CONTRACT the following insurance listing CITY as an additional insured. All insurance shall be procured from an insurer authorized to do business in Louisiana with an A.M. Best rating no less than A-VI. This rating requirement will be waived for policies written through the Institute of London Underwriter ("LIU") companies. CONTRACTOR shall provide Certificates of Insurance prior to commencing work and upon the expiration of any policy.

14.1.1 Statutory Worker's Compensation as required by the State of Louisiana.

14.1.2 Employers Liability Insurance with one million dollars (\$1,000,000) in coverage.

14.1.3 Comprehensive Automobile and Vehicle Liability Insurance with five million dollars (\$5,000,000) combined single limits covering claims for injuries to members of the public and/or damages to property of others arising from the use of CONTRACTOR owned or leased motor

vehicles, including onsite and offsite operations.

14.1.4 Commercial General Liability Insurance with limits of five million dollars (\$5,000,000) per occurrence and in the aggregate, covering claims for injuries to members of the public or damages to property of others arising out of any covered acts of CONTRACTOR undertaken to provide services for CITY as required in this CONTRACT or omission of CONTRACTOR or any of its employees, or subcontractors.

14.1.5 Professional Liability Insurance with limits of five million dollars (\$5,000,000) per occurrence and in the aggregate.

14.1.6 Umbrella Policy of at least five million dollars (\$5,000,000) in coverage.

**14.2** PARTIES shall ensure that all policies of insurance procured hereunder shall provide for a waiver of subrogation against the other. Each party waives any claim against the other arising in contract or in tort which are covered by the respective insurance hereunder.

**14.3** CONTRACTOR shall be responsible for maintaining Professional Liability Insurance for a minimum of two (2) years from the date of expiration or termination of the CONTRACT. Upon request of CITY, CONTRACTOR shall make available for inspection copies of all claims filed or made against any policy during the policy term. CONTRACTOR shall additionally notify CITY in writing within thirty (30) calendar days of any claims filed against CONTRACTOR in excess of twenty-five thousand dollars (\$25,000) relating to the scope of services provided under this CONTRACT. CONTRACTOR agrees to have CITY named as an additional insured.

**14.4** In the event of the insurance certificate provided indicates that the insurance shall terminate and lapse during the period of this CONTRACT, CONTRACTOR shall furnish thirty (30) calendar days prior to expiration of such insurance a renewed certificate of insurance as proof that equal or like coverage for the balance of the period of the CONTRACT is in effect. CONTRACTOR shall not continue work pursuant to this CONTRACT unless all required insurance remains in full force and effect.

## **15.0 LIABILITY FOR DAMAGES**

**15.1** CITY shall not be held liable for claims for damages relating to any services rendered or arranged for by CONTRACTOR.

**15.2** CONTRACTOR agrees to hold CITY harmless from all claims for damages relating to CONTRACTOR's negligence, including any claims relating to failure of CONTRACTOR to provide services as specified in CONTRACT in accordance with the applicable standards.

## **16.0 PERFORMANCE BOND**

**16.1** Upon execution of the Contract, CONTRACTOR shall furnish a performance bond issued by a commercial surety authorized to do business in Louisiana in the total amount of the annual compensation for services for Year 1, Year 2, and Year 3. On or before **September 29, 2025**, CONTRACTOR shall furnish a performance bond issued by a commercial surety authorized to do business in Louisiana in the amount of the annual compensation for services for Year 4. On or before **September 29, 2026**, CONTRACTOR shall furnish a performance bond issued by a commercial surety authorized to do business in Louisiana in the amount of the annual compensation for services for Year 5.

## **17.0 CONFLICTS ON INTEREST, COLLUSION, AND CONTINGENT FEES**

**17.1** CONTRACTOR shall not review or perform any services regarding any application made to CITY by any client of CONTRACTOR unless CONTRACTOR discloses the relationship immediately to CITY and obtains written approval of CITY to perform the services. In the event CITY does not grant approval, CITY may retain a third party to review and perform services at CONTRACTOR's expense. The fees for the third party retained by CITY to review and/or perform services regarding any application shall be deducted from the monthly fee paid to CONTRACTOR.

**17.2** Neither CONTRACTOR nor any of its officers or employees shall have or hold any employment or contractual relationship antagonistic or incompatible with CONTRACTOR's loyal and conscientious exercise of judgment related to its performance under this CONTRACT or in violation of any professional code of ethics or law.

**17.3** CONTRACTOR and its directors, officers and CONTRACTOR EMPLOYEES are prohibited from obtaining any benefits for CONTRACTOR or the individual including, but not limited to, fees, commissions, percentages, gifts or anything of value outside the scope of this CONTRACT as a result of any purchase or transaction made on behalf of CITY.

**17.4** CONTRACTOR shall not collude or enter into any business relationship or CONTRACT with other entities which do business with CITY without the approval of CITY, which approval may be withheld at CITY's sole discretion.

**17.5** CONTRACTOR warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for CONTRACTOR or a consultant, to solicit or secure this CONTRACT, and that it has not paid or agreed to pay any person, company, contractor, individual, or firm, other than a bona fide employee working solely for CONTRACTOR or consultant, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this CONTRACT; provided, however, this provision does not encompass CONTRACTOR's ability to hire or engage consultants to assist in preparation of the proposal and delivery of the services hereunder. For a breach or violation of this provision, CITY shall have the right

to terminate CONTRACT without liability whatsoever to CONTRACTOR and, at its discretion, to deduct from the contract price or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.

## **18.0 COSTS AND ATTORNEY'S FEES**

**18.1** If either party is required to enforce the terms of this CONTRACT by court proceedings or otherwise due to breach of contract, whether or not formal legal action is required, the prevailing party shall be entitled to recover reasonable attorney's fees incurred to enforce this CONTRACT.

## **19.0 CONFIDENTIALITY, PUBLICATION OF MATERIAL AND COPYRIGHTS**

**19.1** All records, reports, documents and other material delivered or transmitted to CONTRACTOR by CITY or by any third party shall remain the property of CITY and shall be returned by CONTRACTOR to CITY at CONTRACTOR's expense at termination or expiration of this CONTRACT. CONTRACTOR may retain one copy of such records, documents, or materials for archival purposes and to defend its work product; however, any record, report document, or other material related to this CONTRACT shall become the property of CITY and shall be delivered to CITY at CONTRACTOR's expense at termination or expiration of this CONTRACT. CONTRACTOR shall maintain as confidential any information which is not subject to disclosure pursuant to Louisiana law.

**19.2** Subject to the confidentiality obligations set forth above, CITY has authority to reproduce, publish, distribute, and otherwise use, in whole or in part, any reports, data, studies, or surveys prepared by CONTRACTOR for CITY pursuant to this CONTRACT.

**19.3** Any licensed software code copyrights and licensed software documentation shall be licensed to CONTRACTOR for use by CITY for the term of this CONTRACT. No title or ownership or any intellectual property or proprietary rights of CONTRACTOR will be transferred to CITY under this CONTRACT. Use of software shall be in accordance with any applicable licensing contract and/or copyrights without any additional payment to CONTRACTOR.

**19.4** CONTRACTOR shall not distribute any information obtained pursuant to this CONTRACT to any third party without receipt of payment of applicable fees for copies of public records which fees shall be remitted to CITY.

**19.5** CONTRACTOR warrants that all materials and/or products licensed or produced by CONTRACTOR hereunder will not infringe upon or violate any patent, copyright or trade secret of any third party. In the event of any such claim by a third party against CITY, CITY shall promptly notify CONTRACTOR and CONTRACTOR shall defend such claim at CONTRACTOR's expense and shall indemnify CITY against any losses, expense, or liability arising out of such claim, whether or not such claim is successful.

## **20.0 COMPLIANCE WITH LAWS AND ADVICE OF OTHER PROFESSIONALS**

- 20.1** CONTRACTOR shall fully obey and comply with all state and federal laws and ordinances, which shall become applicable to the services performed under the terms of this CONTRACT.
- 20.2** CONTRACTOR acknowledges that CITY is advised by its City Attorney and other retained legal counsel. CONTRACTOR shall abide by the advice and direction of the City Attorney or other retained legal counsel in the performance of its duties as they relate to matters of CITY.
- 20.3** CONTRACTOR acknowledges that CITY may be advised by various other professionals including but not limited to engineers, traffic engineers, planners, building officials, police officers, and firefighters, and that on all matters within their respective expertise subject to the approval of CITY, CONTRACTOR shall abide by their advice and direction in the performance of its duties as they relate to matters of CITY. In the event CONTRACTOR believes that compliance with such advice will require modification of this CONTRACT, modifications shall be in accordance with Section 8.

## **21.0 AUDIT AND INSPECTION RIGHTS**

- 21.1** CITY may, at reasonable times during the term of this CONTRACT, inspect CONTRACTOR's facilities and perform such inspections and process reviews as CITY deems reasonably necessary to determine whether the services required to be provided by CONTRACTOR under this CONTRACT conform to the terms of this CONTRACT. CONTRACTOR shall make available to CITY reasonable access to facilities and shall facilitate the performance of inspections by CITY's designated representatives.
- 21.2** CONTRACTOR hereby grants to CITY's auditors and the Legislative Auditor for the State of Louisiana or any third party designated by CITY the option of auditing all records of CONTRACTOR pertinent to this CONTRACT. Such audit or audits shall be performed in a manner at reasonable intervals during regular business hours so as not to cause undue interference with CONTRACTOR's obligations.

## **22.0 RECORD RETENTION**

- 22.1** CONTRACTOR agrees to retain all books, records, and other documents relevant to this CONTRACT and the funds received hereunder for at least three (3) years after project completion or as required by state or federal law, whichever is longer.

## **23.0 WARRANTIES OF CONTRACTOR**

- 23.1** All services to be performed by CONTRACTOR pursuant to this CONTRACT shall be performed in a timely, competent, professional, and workmanlike manner by qualified personnel in accordance with applicable industry standards. All services requiring the exercise of professional skill or judgment

shall be accomplished by professionals qualified and competent in the applicable discipline, and, if required by law, appropriately licensed. CONTRACTOR shall furnish efficient business administration and supervision to render and complete services specified in this CONTRACT.

- 23.2** CONTRACTOR hereby warrants and represents that at all times during the term of this CONTRACT it shall maintain in good standing all required licenses, certifications, and permits required under federal, state, and local laws necessary to perform the Services.

#### **24.0 PUBLIC RECORDS**

- 24.1** CONTRACTOR understands that Louisiana law requires that the public shall have access at all reasonable times to all public records and agrees allow access by CITY and the public to all documents subject to disclosure under applicable law and to collect any applicable fees for copies of public records and remit same to CITY. CONTRACTOR's willful failure or refusal to comply with the provisions of this Section may result in the immediate termination of this CONTRACT by CITY. CONTRACTOR agrees to retain all public records in accordance with CITY's record retention and disposal policies.

#### **25.0 GOVERNING LAW VENUE AND CONSENT TO JURISDICTION**

- 25.1** The validity of this CONTRACT and any of its terms or provisions, as well as the rights and duties of PARTIES hereunder, shall be construed in accordance with and governed by laws of the State of Louisiana. Venue of any action brought under this CONTRACT shall be in the Nineteenth Judicial District Court for the Parish of East Baton Rouge, Louisiana.

#### **26.0 ENTIRE CONTRACT AND AMENDMENTS**

- 26.1** This CONTRACT, the Request for Qualifications and Proposals, the Proposal submitted by CONTRACTOR in response to CITY's Request for Qualifications and Proposals, and any attachments incorporated herein by reference the entire CONTRACT of PARTIES with respect to CITY services. All negotiations and oral understandings between PARTIES are merged herein.
- 26.2** No modification, amendment or alteration in the terms or conditions of this CONTRACT shall be effective unless approved by PARTIES.
- 26.3** This CONTRACT shall, to the extent possible, be construed to give effect to all provisions contained herein; however, where provisions are in conflict, first priority shall be given to the provision of the CONTRACT, excluding the Request for Qualifications and Proposals; second priority shall be given to the provisions of the Request for Qualifications and Proposals and any addenda thereto; and third priority shall be given to the provisions of CONTRACTOR's proposal.

## **27.0 HEADINGS**

**27.1** Headings used in this CONTRACT are for the convenience of reference only and shall not affect the construction or any interpretation of provision of this CONTRACT.

## **28.0 SEVERABILITY AND REFORMATION**

**28.1** If any provision of this CONTRACT or the application thereof to any person or situation shall, to any extent, be held invalid or unenforceable, the remainder of this CONTRACT shall not be affected thereby and all other provisions shall continue in full force and effect and be enforced to the fullest extent permitted by law.

**28.2** To the fullest extent possible, any severed provision or any portion thereof shall be automatically reformed in accordance with the maximum applicable restriction permitted by law for contracts of this nature.

**28.3** Nothing herein contained is intended in any way to be contrary to or in contravention of the laws of the State of Louisiana or any CITY ordinance and, to the extent such conflict exists, PARTIES shall be mutually relieved of any obligations of such conflict.

## **29.0 FORCE MAJEURE**

**29.1** Neither party shall be liable for damages, delays, or failure to perform its obligations under this CONTRACT if performance is made impractical, abnormally difficult, or abnormally costly as a result of any unforeseen occurrence including but not limited to fire, flood, strike, acts of God, terrorism, acts of war, emergency declarations by state or federal governmental authorities or any other occurrences beyond its reasonable control. The party invoking this Force Majeure clause shall notify the other party immediately by verbal communication and in writing of the nature and extent of the contingency within eight (8) days after its occurrence and shall take reasonable measures to mitigate any impact of Fore Majeure.

## **30.0 WAIVER**

**30.1** The waiver by either party of any failure on the part of the other party to perform in accordance with any of the terms or conditions of this CONTRACT shall not be construed as a waiver of any future or continuing similar or dissimilar failure.

## **31.0 NOTICES**

**31.1** Whenever either party desires to give notice to the other, written notice must be given by certified United States mail with return receipt requested, hand delivery, or by facsimile transmission with proof of receipt, addressed to the party for whom it is intended, at the place last specified, and the place for giving of notice in compliance with the provisions of this paragraph. Notice shall be

deemed given upon receipt by any method of delivery authorized above. For the present, PARTIES designate the following as the respective places for giving of notice:

For CONTRACTOR: \_\_\_\_\_

For CITY: \_\_\_\_\_

For all related matters, including both incoming and outgoing mail, CONTRACTOR shall use the address of St. George Municipal Services Building.

### **32.0 SURVIVAL OF PROVISIONS**

**32.1** Any terms, or conditions or warranties of this CONTRACT which require acts beyond the date of expiration or termination shall survive the expiration termination of this CONTRACT, shall remain in full force and effect unless and until the terms of conditions are completed, and shall be fully enforceable by either party.

### **33.0 AUTHORITY TO EXECUTE**

**33.1** CONTRACTOR, by execution hereof, represents to CITY that the signatory to this CONTRACT has been authorized by CONTRACTOR and has full power and authority to make and execute this CONTRACT, to the effect that:

33.1.1 The making and execution hereof shall create a legal obligation upon CONTRACTOR, which shall be legally binding upon CONTRACTOR.

33.1.2 This CONTRACT is enforceable by CITY according to the terms of this CONTRACT.

**33.2** CONTRACTOR represents that nothing contained herein or any obligation on the part of CONTRACTOR to be performed hereunder is in any way contrary to or in contravention of any policy of insurance or surety bond required of CONTRACTOR pursuant to the laws of the State of Louisiana.

**33.3** CONTRACTOR shall perform services pursuant to this CONTRACT under the name of CONTRACTOR; however, if CONTRACTOR performs services through any wholly owned affiliates of CONTRACTOR, such affiliates shall be bound by the terms and conditions of this CONTRACT to the same extent as if they had been a signatory hereof. It shall be the duty of CONTRACTOR to insure: (1) that any affiliates who conduct business for the CITY pursuant to the CONTRACT have executed all documents necessary to be legally bound to CITY regarding said business; and (2) that any affiliates who conduct business for CITY pursuant to this CONTRACT are in full compliance with the terms hereof.

#### **34.0 ASSIGNMENT**

**34.1** Neither Party shall assign any interest in this CONTRACT and shall not transfer any interest in same, whether by assignment or novation, without prior written consent of CITY evidenced by a Resolution duly adopted by the City Council; provided, however, that claims for money due or to become due to CONTRACTOR from CITY may be assigned to a financial institution without prior written consent.

#### **35.0 DISPUTES**

**35.1** To facilitate the timely and effective resolution of any controversy or dispute arising under this CONTRACT or out of the performance of this CONTRACT, each party shall appoint one representative to serve on a Management Board. The Management Board shall resolve any issues that arise from the CONTRACT and cannot be resolved from the project management level. The party believing there is a controversy or dispute shall put such notice in writing and deliver to the other party within a reasonable time after the dispute or claim has arisen. The Management Board shall convene to discuss such notice and shall make a good faith effort to resolve any issues with a period of thirty (30) days of receipt of notice.

**35.2** Unless otherwise agreed in writing, CONTRACTOR shall continue to provide services during any dispute resolution proceedings. If CONTRACTOR continues to perform, CITY shall continue to make payments in accordance with this CONTRACT. During the dispute resolution proceedings, PARTIES shall not be deemed to be in default as per Section 10; however, the election to pursue a material breach by virtue of this Section 35 shall not constitute a waiver of any breach of the CONTRACT.
