**NOTICE TO CONTRACTORS:**

No changes shall be made from the information on this application or in the reviewed plans and specifications without submitting the changes in writing and with the signature and seal of the originating Design Professional in charge. These changes must undergo the same review process as the original drawings and must be on the job with the original plans for inspections. The granting of this permit shall not be construed as a permit or license to violate, set aside, cancel or alter applicable codes, ordinances, or other laws regulating construction or the performance of construction. All work shall be readily accessible for inspection(s) by the Building Official and/or his Building Inspector. All work shall comply with 2021 International Residential Code and all other applicable codes and ordinances.

**Work shall not start until the permit is in the applicant's possession and is posted as per local ordinances. Permit must be visible from the street and protected from the weather. d**
