Acknowledgements:

A disturbance permit is needed if:

- (1) Any disturbance by means of mechanized equipment.
- (2) The delivery of soil, sand, tree materials, or fill material in excess of 12 cubic yards.
- (3) Placement or grading of soil, sand, or other material by means of mechanized equipment.

Disturbance Permit Application

The placement of fill exceeding 12 inches will require a geotechnical report and a topography plan, both prepared by licensed engineers, ensuring proper compaction and no adverse impact on surrounding properties or public drainage infrastructure.

APPLICANT CERTIFICATION (Please Sign & Date)
