

CITY OF ST. GEORGE

Goals and Objectives

The commission's goal is to develop a charter that resonates with the city's interests and needs – one that emphasizes less government and more accountability to the taxpayers. The Home Rule Charter Commission is working in collaboration with the public to create a document that reflects a form of government that can carry us years into the future as St. George continues to take shape, grow, and thrive.

Timeline – updated 09-26-2024

The commission's goal is to complete the charter prior to the deadlines for the March 29, 2025 election. This timeline is subject to change as determined by the commission, and any changes will be posted via updates to the city website.
