WORK LOCATION (ADDRESS): _____

TYPE OF WORK: REPAIR/REPLACE INSTALL NEW AERIAL CABLE CURB CUT
 UNDERGROUND CABLE/ CONDUIT SIDEWALK REMOVAL OTHER

SCOPE OF WORK: _____

It is hereby agreed upon that any work performed in connection with this permit will be done in accordance with all City-Parish Standard Specifications, the City of St. George Code of Ordinances and reviewed construction plans submitted to the City-Parish. Sufficient bond and insurance is required on all projects. Damage to any public property or facilities, including traffic control devices shall be restored to the original condition. All alterations, removals or relocation of the proposed utility which may become necessary in the future due to improvement and/or widening of public roads and/or drainage channels or public servitudes shall be done at the expense of the permit holder, even though the provisions and requirements for this permit have been met. Alternatives, removals or relocation for future improvements shall be completed within the time specified after receipt of notice from the Director of Public Works.

1. Call Louisiana One Call (811), LA State Law, Sec. R.S. 40:1749 requires excavators and demolishers to notify a Regional Notification Center by telephone 48 hours to 120 hours in advance of any excavation or demolition activity.
2. CALL BATON ROUGE TRAFFIC ENGINEERING AT (225)389-3246 TO LOCATE SIGNAL LIGHT CABLE LOCATIONS. LA ONE CALL DOES NOT LOCATE TRAFFIC SIGNAL CABLES.
3. Notify City of St. George Engineering at (225)-228-3200 to inform Utility Inspector 2 (two) work days prior to beginning work and for required inspections and final inspection.
4. When required, a Traffic control plan MUST be approved by Baton Rouge Traffic engineering (225-389-3246) prior to applying for the permit. Submit traffic engineer's approval letter with application.
5. This permit must be available on the job site at all times so the inspector can see it.
6. Work is to be completed within one-hundred eighty (180) days of permit issue date, unless otherwise specified.

These provisions are hereby agreed to and accepted by:
